

Bob Etchberger
Churches of Gettysburg During the Battle:
The Impact of the Civil War on Religious Beliefs and Churches

Bob's presentation will be divided into two parts dealing with religion in general during the era of the Civil War and with churches in Gettysburg specifically.

Part 1 will deal with the theological crisis that impacted the citizens of the United States and the Confederate States before, during, and after the Civil War. Both sides were interpreting the same Bible and praying to the same God, for different reasons and for different results.

Part 2 will deal with the direct impact that the Battle of Gettysburg had on four churches in the town.
