

## HERSHEY CIVIL WAR ROUND TABLE

**MARCH Meeting—Thursday Mar 19, 2020 - 7:30 PM**

**Lynn Heller**  
**The Horses of Gettysburg**

More than 3 million horses and mules participated in the Civil War, and it is estimated that 1.5 million died as a result of their service. They are truly the unsung heroes of this devastating and all-consuming conflict, and are often forgotten, as the drama of the battles are explored. Find the impact of the horse on the battle, the civilians and the soldiers.

### NEWS FLASH

The author is graciously donating to our Roundtable, when you purchase a book from him at our meeting and he will gladly sign it for you.

We are receiving a bundle of Gettysburg Experience magazines every month for \$15. Any size donation towards the postage is appreciated to keep this magazine of well researched articles available at our program.

Thank You for Your Help

This Months Trivia Question

The 6<sup>th</sup> Pennsylvania Cavalry had the most unusual weapon. What was it?

According to the 1860 Census, how many horses were there in the United States?
